na Saúde da Criança
e do Adolescente I

**TUDO O QUE HOJE PRECISO REALMENTE
SABER, APRENDI NO JARDIM DE INFÂNCIA...**

Tudo o que hoje preciso realmente saber, sobre como viver, o que fazer e como ser, eu aprendi no jardim de infância. A sabedoria não se encontrava no topo de um curso de Pós-graduação, mas no montinho de areia da escola de todo dia. Estas são as coisas que aprendi lá:

1. Compartilhe tudo.

2. Jogue dentro das regras.

3. Não bata nos outros.

4. Coloque as coisas de volta onde pegou.

5. Arrume a sua bagunça.

6. Não pegue as coisas dos outros.

7. Peça desculpas quando machucar alguém.

8. Lave as mãos antes de comer e reze antes de deitar.

9. Dê descarga.

10. Biscoitos quentinhos e leite fazem bem a todo mundo.

11. Respeite o outro.

RESPEITAR OS COLEGUINHAS

12. Leve uma vida equilibrada: aprenda um pouco, pense um pouco, desenhe, pinte, cante, dance, brinque e trabalhe um pouco todos os dias.

13. Tire uma soneca às tardes.

14. Quando sair, cuidado com os carros.

15. Dê a mão e fique junto.

16. Repare nas maravilhas da vida.

17. O peixinho dourado, o hamster, o camundongo branco e até mesmo a sementinha no copinho plástico, todos morrem... inclusive nós.

NOTE:

- Pense como o mundo seria melhor se todos nós, no mundo todo, tivéssemos biscoitos e leite todos os dias por volta das três da tarde e pudéssemos nos deitar com um cobertorzinho para uma soneca.
- Ou se todos os governos tivessem como regra básica devolver as coisas ao lugar em que elas se encontravam e arrumassem a bagunça ao sair.

- Ao sair para o mundo é sempre melhor darmos as mãos e ficarmos juntos. É necessário abrir os olhos e perceber que as coisas boas estão dentro de nós, onde os sentimentos não precisam de motivos nem os desejos de razão.
- ‘O importante é aproveitar o momento e aprender sua duração, pois a vida está nos olhos de quem souber ver’.

Obrigado!!!
